Dear STAND tall team,
Thank you for your efforts,
interest, and help to our K9
program. Your support and
what you all do has been a
morale booster for our K9
handlers and a tremendous help
to the K9's. The equipment and
tools provided will fine tune the
K9's mindset and workable
skills. The K9 handlers and K9's
love to train and having the
right equipment really helps
them be on top of their craft.
Thank you for your support.
Sincerely,

Thank you For your Assistance
