On behalf of the Spruce Pine Police Department K9 Unit, I would like to offer my deepest thanks and gratitude for the Stand T.A.L.L. organization for their help and support for our agency. Over the last few months Stand T.A.L.L. has joined us in helping provide equipment for our two K9 Handlers.

The Spruce Pine Police Department received the following items from Stand T.A.L.L.

- Two K9 Field Medical Kits
- Two Ballistic K9 Vests
- One K9 Transport Carrier

The K9 equipment donated by Stand T.A.L.L. is imperative for our K9's and without the support from Stand T.A.L.L. this would not be possible. Thank you for helping the SPPD achieve these goals for our K9 Unit.
