

FLETCHER POLICE DEPARTMENT

TEAMWORK - PROFESSIONALISM - DEDICATION

DANIEL D. TERRY
CHIEF

To: Stand T.A.L.L.
From: Det. Sgt. Ron Diaz
Date: 04.01.2025
Subj: Forensic Equipment Donations

On behalf of the Fletcher Police Department's Criminal Investigations Division (CID), I would like to extend my gratefulness and appreciation to the "Stand T.A.L.L. organization for their substantial support and continuous generosity to our agency.

Over the last few years, "Stand T.A.L.L." has partnered with the Fletcher Police Department and provided high-value forensic equipment which has expanded our organization's evidence collection and processing capabilities.

The FPD has received the following forensic investigations equipment from "Stand T.A.L.L.:

- "Downflow Workstation," for latent evidence processing (ex. fingerprints).
- "Nikon Z-50" mirrorless camera.
- "Nikkor Z MC" macro lens for camera.
- "Nikon SB700 Speedlight" flash for camera.
- "Manfrotto" tripod for camera.
- "Neewer" tabletop camera stand.
- Lenovo Laptop Computer and associated electronic devices for sensitive cases.

Forensic equipment, such as these items donated by "Stand T.A.L.L.," are necessary in today's modern world of advanced technology; and without the assistance from "Stand T.A.L.L.," the FPD would struggle to meet the expectations of our community members in "providing quality services based upon progressive police practices."

Thank you Stand T.A.L.L. for supporting our mission to serve the citizens of Fletcher, NC.

A handwritten signature in black ink, appearing to read "Ron W. Diaz".
