Dear Ron,

We would like to thank Stand T.A.L.L. for the laptop computer donation to the Laurel Park Police Department.

Our patrol officer is using the computer donation to help interface with the Henderson County 911 Internet, pull data from the NCDNJ-CJ online database, and write E-Citation/Crash incidents as needed. Your contribution will go a long way enhancing the safety of our patrol officer.

To run the above software we were awarded a computer that has the following system requirements:

- 1) Intel Core i5 2.5GHZ
- 2) 8GB RAM
- 3) 500 GB Hard Drive
- 4) DVD-RW
- 5) 14 inch screen
- 6) Webcam
- 7) Windows 10 PRO-64 bit

We greatly appreciate your donation.

Sincerely,

Bobbie Trotter

Chief of Police, Laurel Park Police Department
