On behalf of the Mitchell County Sheriff's Office, we would like to sincerely thank you for your contributions to our K9 program. The medical kits you donated are of the utmost importance to ensure the health and safety of our working dogs. The donated K9 Behavioral Shaping Device has already been used by multiple agencies to continue the training of our working dogs and used to train K9's at all stages of life. This will not only help the active working dogs, but help future K9's coming up in their training. This will help us to have quality, well trained K9's serving our area for many more years to come in our county as well as our neighboring departments. Again, I would like to say thank you for the donations to our K9 dogs and handlers that help us advance our skills and serve our communities.

Sincerely,

Sheriff Donald Street  
Lt. Jesse English and K9 and Kivo  
Lt. Daron Holmes and K9 and Drago
